

We are looking for young people from all over the world who are interested in a career in the field of nursing care and health and offer an apprenticeship as a geriatric or hospital nurse!

Your career at SenVital

SenVital stands for quality – as service provider and as employer. Based on many years' experience in the nursing sector we use our know-how at eight locations throughout Germany. Be it nursing care or administration - we are well positioned with no shortage of opportunities – as a career starter or as an experienced nursing specialist.

Excellent opportunities for promotion

SenVital is part of a Germany-wide business group with a lot of experience and know-how. This is what makes us an attractive and reliable employer with good opportunities for promotion.

Apprenticeship with a future

An apprenticeship at SenVital particularly means one thing: outstanding prospects. Not only do we offer an excellent training but also the transfer is very likely. A high rate of hiring with the company and excellent training possibilities send a clear signal: We rely on our own offspring. Going from a nursing trainee to residence director – it is possible. At SenVital
