Intensive German Language Course in Hamburg for YOUTH 14th April -30th April 2019

Intensive German Language Course in Hamburg

Hamburg is often called “Germany’s Gateway to the World”. It is the second largest city of Germany and has a lot to offer: impressive sights, an exciting history, a multicultural lifestyle, and the unique atmosphere of its harbour. What was the *Hamburg Firestorm*? What does *Hansestadt* mean? Where do people relax in Hamburg? What is their favourite food? What is a *Fischkopp*? These questions and many more will be answered. This Hamburg experience will surely leave you with unforgettable memories. We will spend two weeks in Hamburg to learn about the German culture and, of course, practice the German language intensively. The course takes place in spring, the most beautiful season of the year. All the flowers are flourishing and Germany will be wrapped in motley colours. Especially April is a wonderful month, like Shakespeare already said: “When proud-pied April, dressed in all his trim, hath put a spirit of youth in everything, that heavy Saturn laughed and leaped with him. Yet nor the lays of bird, nor the sweet smell of different flowers in odour and in hue could make me any summer’s story tell.” You will also discover some typical German Easter traditions as egg hunting or an Easter fire.

This course is designed to help you understand and speak the German language and know the habits and customs of Germany. This intensive German language and culture course is run by experienced and highly motivated language teachers. You will have the excellent opportunity to improve your knowledge of German according to your prior linguistic proficiency. With the help of an initial entry test we will assess your language competence and find the suitable class for you. There will be no more than 12 students in one class. Highly professional language teachers will use the latest teaching methods and up-to-date materials so that you can develop and improve your learning technique. After completing the course, you will receive a certificate which will proof your level of language proficiency. Another bonus for our students: This course will take place in Hamburg, which is a beautiful and interesting city. You will love it!!
