2 weeks in Hamburg and Berlin

You can't use the German summer any better! This Hamburg experience will surely leave you with unforgettable memories. We will spend one week in Hamburg. Hamburg is the second biggest city of Germany, a port city with multicultural flair. The inhabitants of Hamburg are proud of their "most beautiful city of Germany" because of all the parks, canals, sights and attractions, shopping facilities and activities. We would like to discuss interesting topics in English in the morning. In the afternoon we will explore as much as possible of Hamburg and its surrounding. We will also visit Lübeck, Travemünde, Husum and experience a tour across the tidal mudflats of the North Sea. We will enjoy city rallies, interactive workshops, guided tours, a musical and boat trips. The youth hostel we will stay at is located near the train station but still very quiet and secure. You are able to do a lot of sports. We will spend an amazing time for sure!

We will then travel to Berlin for one more week. Berlin is a uniquely appealing and charming metropolis. Innumerable sights reflect the contemporary mind-set and *Zeitgeist* of the city, its long history up until the dramatic events of the 20th century. Among other places, we will visit the Brandenburg Gate, the Reichstag, Checkpoint Charlie, and the remains of the Berlin Wall. During a Berlin quiz tour you will get the opportunity to explore the city on your own, and you will also get some free time to go shopping or do sports. Depending on the weather and the interests of the group, we will explore Berlin by boat, visit one of its famous museums, or go on a tour around the town's graffiti art scene.
