# Intensive Summer Course German in Hamburg und Berlin [aubiko e.V.]

You can't use the German summer any better! Hamburg is the second biggest city of Germany, a port city with multicultural flair. The inhabitants of Hamburg are proud of their "most beautiful city of Germany" because of all the parks, canals, sights and attractions, shopping facilities and activities. We would like to invite you to learn German intensively with fun and pleasure. Together with you we will explore as much as possible of Hamburg and its surrounding. We will also visit Lübeck, Travemünde, Husum and experience a tour across the tidal mudflats of the North Sea. The youth hostel we will stay at is located near the train station but still very quiet and secure. You are able to do a lot of sports. We will spend an amazing time for sure! During the German lessons you won't only be taught writing, grammar and vocabulary. Our main aim is to teach you how to speak freely and get in contact with German native speakers. We will enjoy city rallies, have interviews with inhabitants of Hamburg and give you a lot of practical tasks. Every morning starts with German lessons in the class room and in the afternoon we will apply the German language during numerous trips.
