

INTERNATIONAL GUEST HOUSE HAMBURG

The all-round carefree package for people from all over the world, who want to settle in Hamburg

We want everyone from all over the world to have a great time in Hamburg. Our team spent a lot of time abroad for professional purposes and to study. We all know how it is to arrive in a foreign country. That is why it is our passion to support people arriving in Hamburg. We are more than happy to pick you up from the airport or central station and to show you the city and surrounding area. Where are the shops? Where is the doctor? Where can I get a city pass? Where are clubs and bars? How do I get to know Germans? We have time for your questions and would like you to become a part of the city. It is important for us that you do not only live in our guest house, but that you feel comfortable. All of our rooms are recently renovated and have been lovingly arranged in a friendly modern style. WELCOME
