## FUN IN SNOWY GARMISCH-PARTENKIRCHEN AND SIGHTSEEING IN MUNICH

Germany lies at your feet! The Zugspitze, at 2 962 meters, is the highest peak in Germany. There are three glaciers and lots of snow. You will have the most exciting views from up there. 360° of uninterrupted views over more than 400 peaks in four different countries.

Images you will never forget!

Right after your arrival we will visit the Bavarian Capital, Munich. There we will walk through the Old Town with its beautiful buildings. The next day we will take the cable car up the mountain. On this tour, you will enjoy a fascinating view of the northern part of the Alps. Depending on the time, we will visit the highest church in Germany or an igloo village located on the glacier. Two things are guaranteed: Snow fights and walking through the snow! Then, we will have fun at an indoor waterpark and at the end of this unforgettable day you will be able to enjoy the famous Bavarian cuisine. Once you've eaten here, no other German Schnitzel will ever taste as good. The next day is reserved for Munich: time to enjoy the "*English Garden*" and stroll through the Capital and buy souvenirs.

Please remember to bring warm and comfortable clothes. Also think about the right shoes: they should be comfortable and able to withstand water and snow.
