## TRAINER PROFILE

---

Friederike Krause

**Key areas:** German as a foreign language, Intercultural trainings

**Languages:** Fluent: English, Danish

Good: Polish, Czech, Norwegian, Swedish

Basic knowledge: French, Spanish

### **Personal details:**

Friederike Krause studied intercultural business communication, linguistics, phonetics and German as a foreign language at Friedrich-Schiller-University in Jena. She also studied Danish linguistics at the University of Fyn in Odense/Denmark. In German as a foreign language, Friederike Krause focused on advanced vocational trainings for teachers, didactics of phonetics, colloquial language, trainings for applicants, creative writing, and theatre pedagogy. Concerning intercultural business communication her focus lies on the conception and conduction of international and culture-specific trainings and coachings.

### **Qualification and experience:**

As her main job, Friederike Krause serves as head of board at aubiko e.V. and chief executive of u-pass. Aubiko e.V. sets its focus on international encounters, language courses, intercultural trainings, and advanced vocational trainings for German teachers. Until 2012 she had been working at the German academic exchange service (Deutscher Akademischer Austauschdienst DAAD), the German embassy, the Carl-Duisberg-Centers (CDC) and Universities in Germany and abroad.

Since 2007, Friederike Krause works at the Friedrich-Schiller-University, Hamburg's police academy and the FOM, university of applied science. For the Deutsche Auslandsgesellschaft DAG she has been teaching and managing the further educations for German teachers from all over the world.

For the last 15 years she has conducted intercultural trainings for China, Denmark, Sweden, Poland and Czech Republic. Customers were Lufthansa, Porsche, Deutsche Bahn, Scania, Ecco, Ikea and public institutions.
