Christmas weekend in Hamburg

During christmas season Hamburg, „the pearl of the north“, is at its best. During this weekendtrip we want to give you the opportunity to get to know the hanseatic city from its magical side. Specially around the many christmas markets within the city you can capture the wonderful atmosphere of this time. These amazing places offer many possibilities to shop christmas presents and try our delicious christmas pastries like Lebkuchen, Schmalzgebäck and roasted almonds.

At the Rathausmarkt we will watch Santa Claus riding his sledge over the market and listen to his christmas carol. The shopping areas Mönckebergstraße and Europapassage are nearby and beautifully decorated during this period of the year. Feel invited to stroll around and enjoy warm lights and christmasfeelings! Of course you will have enough time for some shopping too.

For even more colorful entertainment we will visit the „Winterdom“. Maybe you want to take a ride on a rollercoaster, have some amazing cotton candy or shoot a rose for a dear one? Whatever you decide to do: fun is guaranteed!

To highlighten your weekend we will take you for another adventure: iceskating! Whether you are already an advanced skater or an absolute beginner: This will for sure be a great experience!

We invite all exchangestudents and their hostsiblings to join this weekend! It will be a good opportunity for exchange and getting to know people from all over the world.

We will pick up all participants from the trainstation and help you to organize your journey!

The trip includes the following features and services:
