[aubiko  e.v.]

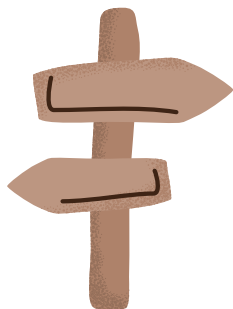

Your profile:

- Interested in exchanging ideas with a multicultural young group about discrimination against religious minorities
- Open mind towards other religions and traditions
- 18 - 30 years old
- fully Covid-19 vaccinated

You will be:

- a part of a binational group of German and Turkish participants
- learning more about discrimination and exclusion of religious minorities (including refugees)
- visiting different religious/governmental institutions, schools and the city
- planning cultural evenings and learn about other traditions
- developing a plan on how to act in the future when you observe or experience discrimination
