INTENSIVE GERMAN LANGUAGE COURSE IN HAMBURG & BERLIN

HAMBURG is often called "Germany's Gateway to the World". It is the second largest city of Germany and has a lot to offer: impressive sights, an exciting history, a multicultural lifestyle, and the unique atmosphere of its harbour.

What was the Hamburg Firestorm ?
What does Hansestadt mean?
Where do people relax in Hamburg?
What is their favourite food?
What is a Fischkopp ?

These questions and many more will be answered!

This Hamburg experience will surely leave you with unforgettable memories! We will spend two weeks in Hamburg to learn about the German culture and, of course, practice the German language intensively.

We will then travel to Berlin for one more week!

BERLIN is a uniquely appealing and charming metropolis. Innumerable sights reflect the contemporary mind set and Zeitgeist of the city, its long history up until the dramatic events of the 20th century.

Among other places, we will visit the Brandenburg Gate, the Reichstag, Checkpoint Charlie, and the remains of the Berlin Wall.

During a Berlin quiz tour you will get the opportunity to explore the city on your own, and you will also get some free time to go shopping or do sports.

Depending on the weather and the interests of the group, we will explore Berlin by boat, visit one of its famous museums, or go on a tour around the town's graffiti art scene
