Welcome to Munich

Munich is the capital of Bavaria and a must-see for everyone who wants to get to know the south of Germany. There is no better place to experience the typical Bavarian flair and the warm character of Bavarians as this city.

We want to see both the historic and the contemporary side of Munich with you. Furthermore, we will discover its regional culinary delights and the music scene together.

Welcome to Salzburg

Salzburg is unique – in every regard. Anyone who has ever immersed themselves in the magic of the world-famous City of Mozart can never escape it again. The harmonious interplay of landscape and architecture, art and culture, as well as traditional and modern, all within a surprisingly small area, merely adds to the special charm of this place.

Welcome to Ljubljana

Ljubljana is one of the smallest European capitals. It is young, very hip and green as it can be: In 2016 it was the European Green Capital, in a part of Europe not always known for environmental friendliness. The city centre is now mostly car-free, public transport is low-emissions and there's a new cycling network. In 2022 Ljubljana was announced the European Best Destination!

AUBIKO E.V.

Welcome to Zagreb

Zagreb is the capital and largest city of Croatia. It is in the northwest of the country, along the Sava river, at the southern slopes of the Medvednica mountain.

A lovely city, with laid back atmosphere, strong coffee culture, pedestrian-only town's center, great bistro-style restaurants, green markets, an interesting craft beer scene, good downtown shopping, and stripes of bars and cafes at every corner.

Welcome to Venice

Venice is a city that spreads across 118 small islands in a bay called the Venetian Lagoon lying between the Po and Piave rivers. The islands of Venice are separated by canals and brought together again by 400 different bridges. This romantic city on water has kept the same look for hundreds of years, which makes it one of the most attractive tourist destinations in the world. Beautiful floating palaces of stone surrounded by an ancient network of canals.

Welcome to Rome

Rome stands as one of the finest and oldest cities in the world. The history of Rome spans over 2500 years and it has been a center of power, politics, culture and development since its inception. Creation of the city is steeped in legend and mythology and there are various different accounts of how this majestic place was built. Various Roman emperors have ruled mighty Rome and this is the place where the colossal Roman Empire grew from

Welcome to Amsterdam

Located in the Dutch province of North Holland, Amsterdam is colloquially referred to as the "Venice of the North", for its large number of canals, now designated a UNESCO World Heritage Site.

Amsterdam was founded at the mouth of the Amstel River that was dammed to control flooding; the city's name derives from the Amstel dam

With its picturesque canal network, rich history and thrumming cultural scene, the capital of the Netherlands is one of the world's most vibrant cities.

There are a lot of reasons why you should not miss out on one of these trips.

They are an excellent opportunity for you to meet other students from all over the world, to hear about their experiences, make new friends and learn about German and European history, architecture and culture; all the while being in one of these beautiful cities and having tons of fun! Each trip is carefully organized by us, so just hop on and enjoy your time. You will see important sights and tourist attractions and pick up plenty of information about Germany and Europe.

All our trips are accompanied 24 hours a day by qualified aubiko personnel that know their way around the destinations. We are very aware of our responsibility for the students and that is why everyone must follow the aubiko travelling rules during the whole trip. They are binding and include, for example, a strict prohibition of alcohol and cigarettes. We also take care to have an appropriate ratio of supervisors to students. We guarantee that every Euro that students spend for these travels is invested into the trip and that the organization does not make any profit.

We are looking forward to meeting you and showing you Germany and Europe!
