HAMBURG, BREMEN & BERLIN

HAMBURG is often referred to as "Germany's gateway to the world". It is the second largest city in Germany and has a lot to offer: impressive sights, an exciting history, a multicultural lifestyle and the unique atmosphere of its harbor.

BREMEN, often referred to as the "Pearl on the Weser", is a city full of fascinating contrasts. Home to the famous Bremen Town Musicians, the city captivates visitors with its rich history and picturesque old town, the Schnoorviertel, the lively atmosphere on the Weser promenade Schlachte.

BERLIN is a unique, delightful and charming metropolis. Countless sights reflect the contemporary thinking and zeitgeist of the city and show its long history up to the dramatic events of the 20th century.
